Individual approach and attention to each student.

## **School of comprehensive development of the child**

Physical, intellectual, moral development of the personality.

# *Our mission*

To form the immunity of the child to the challenges of the modern world. Make the child independent of brands, corporations and trends by building a moral axis, critical thinking and development of courage, intelligence and health.

# *School values*

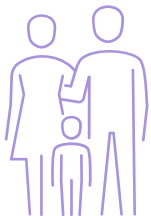

Love for the  
intellectual work

Vivid  
teaching

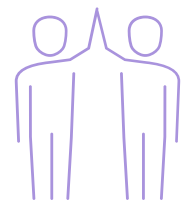

Holistic  
development

Family  
values

Safekeeping of the  
cultural code

Ethic and moral  
environment

Apoliticism

# *Trinity Private School*

## **School of innovative teaching**

We create our school world in which we get to know ourselves, explore our capabilities, determine our destiny, learn to set goals and achieve them.

We live an interesting, active life, full of events and emotions. We do not compare ourselves to others, we only compare ourselves to the old us.

## Methods

- Case study
- Design method
- Business games
- Mind map
- STEM
- Brainstorming

## Trinity Student Growth Vectors

# *Trinity Food*

Family Kitchen catering is working on meals for Trinity Private School exclusively. Boutique cuisine of healthy diets in Cyprus.

- Health - the main priority. Family Kitchen uses natural and environmentally friendly products, and modern technologies with the latest equipment allow to preserve all the useful qualities.
- Honesty - Family Kitchen openly shares information about products and cooking processes. Anyone can visit open-kitchen.
- A team of experts - the kitchen has gathered the best team of specialists from different countries. Menu rations are developed by the best nutritionists.
- Quality and taste are unified, healthy food is always a delicious food.
- Children - are the most important people in life. By their example, the team introduces a culture of proper nutrition for children. The Family Kitchen menu is an example for children and adults who want to live healthy and active.

# *Infrastructure*

## **Safe environment**

The best modern architectural and design solutions were used in the design.

## **Smart-zoning**

Effective use of school spaces for education and recreation.

## **Ergonomics**

Adaptability of furniture elements to the needs of children of different ages.

### **Environmental friendliness**

Use of certified materials.

### **Technological effectiveness**

Technological solutions integrated into the educational process and everyday life of children.

### **Sports zoning**

Sports grounds, martial arts halls, board game areas.

# *School uniform and accessories*

## **School uniform has its own temper:**

- Premium quality.
- Variety of models.

## **Dress code from Boutique-school**

We form a school dress-code so that the child is proud of belonging to his favorite school. Trinity Private School offers a new type of school uniform that combines style, coziness and environmental friendliness.

## **Stylish: made by designer**

Numerous shootings have shown how children like our uniform.

## **Functional**

Models are thought out for different activities and for each season, for different types of body shapes. Designed for daily school life.

## **Eco-friendly and durable**

Soft to touch and at the same time wear-resistant fabric.

# *Trinity Projects*

## **Trinity Eco Farm**

Our own ecosystem for research and cognition of nature. A place for project activities, science, creativity and physical development.

## **ART**

Plein Airs. Exhibitions in the garden. Exploring nature through creativity projects. Development of the sense of taste.

## **SCIENCE**

Practice-oriented classes, botany, topography, craft studies.

## **SPORT**

Orienteering, Anji Play, sword fight, quests.

*SCIENCE*

*SPORT*

### **Trinity Travel Club**

A unique way of learning through traveling that develops curiosity, broadens horizons and culturally enriches the child. For us it is hiking, sports yachting and visiting historical places.

### **Sunday Family Club**

Educational community of like-minded people. A place to meet new people and share knowledge. Sunday with family and friends.

### **Trinity Summer Camp**

Leisure with benefit. Summer course of developmental activities: sports competitions and scouting programs, art and experimental projects.

### **Trinity events**

A way to unite the whole family and unfold the moral beauty of the child.

# *Trinity Private School*

**Primary School**  
**340-342 Agiou Andreou St. 3035**

Close to main tourists attractions and sights:

- Promenade Molos Limassol, zoo and Limassol castle;
- 5 minutes to the sea

Convenient location:

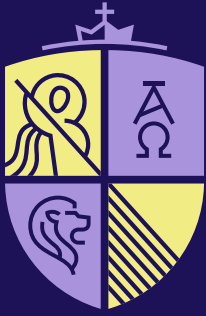

- 7 minutes to the old town of Limassol;
- Next to the ring road.

**Secondary School**  
**104 Spyrou Kyprianou Ave. 3077**

Located almost in the city center:

- Mesa Geitonia area;
- near the highway;
- 5 minutes to Tsirion Athlitiko Center.

We have chosen quiet and peaceful places for the comfort and safety of children, close to the center of Limassol for the convenience and saving time of parents.
